*Come and find out  
for yourself!*

You may have noticed things are  
changing at The Mailbox...

By 2015, The Mailbox will have  
transformed into a fully-enclosed,  
sky-lit retail space. Its elegant design,  
intelligent lay-out and unique range of  
top-name outlets will make The New  
Mailbox a world-class destination for  
luxury shopping and lifestyle.

And that's going to take some work.

But rest assured. While the Mailbox  
make-over is underway, it's still very  
much business as usual.

The following outlets will be open  
throughout the Mailbox refurbishment:
